Saratoga, CA

SKILLS

Java and Object Oriented programming	Video editing (Adobe Premiere, iMovie)
HTML and Wordpress	Google Docs, Slides, Spreadsheet
Phyton	Tutoring

EDUCATION

Saratoga High School Saratoga, CA	Class of 2023 GPA: 3.78
---	----------------------------

EXPERIENCE

Amazon Store - KaykayTech	2019 - present
----------------------------------	----------------

Founder

Founded an Amazon store, sold products that I imported from overseas via Alibaba.com as well as products I designed. Have great reviews on my products. Also filed a trademark application in order to sell the products under my own brand [USPTO97578024].

Vitiligo-journeys.com and Young-founder.com	2020 - present
--	----------------

Founder

Created a website as an information hub for teenagers with Vitiligo: Vitiligo-journeys.com. Researched content, connected with the community.

Founded Young-founder.com to document my journey as a teenager around creating a successful Amazon store, entering startup competitions, creating a patent and more in order to inspire and help others.

Webmaster	2019 - present
------------------	----------------

I manage websites for 2 businesses, Kidsmoneyacademy.com and Dentaklinik.com, including content and design via HTML and Wordpress, and video editing via Adobe Premiere.

Tutor	2018 - present
--------------	----------------

Taught digital video editing, java programming and basketball. Learned how to teach while keeping kids engaged.

Saratoga Bagels

2022 - present

Customer service

Managed customer service, taking in orders, filling in different operational roles, and troubleshooting issues.

OTHER

PATENT

Invented, designed, and filed a utility patent at USPTO for a sensor-input based door-lock specifically for controlling parental access to teenagers' rooms. USPTO Application No:18/050,466

TRADEMARK

Filed a trademark with USPTO for sticker designs in order to create and advertise my own brand on my Amazon store. Number: USPTO97578024
